

Camp Thunderbird

Sortie de fin d'année

Dear Grade 5 families,

We are making plans to say farewell to our Grade 5 students in June as they conclude their journey at École Doncaster School. As in previous years, we will be spending a day at Camp Thunderbird!

On **Monday, June 24th, 2024**, students will take part in a rotation of events from 9:00 am to 4:00 pm, including activities such as archery and canoeing. Teachers will accompany the group and the activities will be directed by camp leaders in English and French. Transportation will be by bus. Students and teachers will need to leave school at **8:00 am** to start activities at 9:00 at the camp and should be back at school around **5:00 pm**.

The purpose of this letter is to get permission for your child to participate in this fun day. At the moment, the cost for this day is about **\$50.00** per student. The cost has already been reduced through two fundraisers - the sale of pizza and ice cream at the Back to School BBQ in September and the Night of Lights ticket sales before the Winter Break. The Grade 5 teachers would like to do some more fundraising after Spring Break to help reduce this cost more. We will be starting a "Freezie Friday" fundraiser, with each class taking one Friday to sell freezies after school. More information about volunteering for this will be communicated to you by your classroom teacher.

We will send out a final letter at the end of May requesting payment for the final cost of the camp day. Please do not send payment until the final cost is confirmed.

Please note: no children will be denied participation in this trip due to financial limitations. If financial help is needed, please contact our principal, Mrs. Harte.

As always, this field trip would not be possible without your help; your support is much appreciated!
