

September 2023

Bonjour!

Mark these dates on your calendar as we get to go on some active field trips this year, as part of the students' physical education program!

If you are able to drive or volunteer for any field trips, please read the information and check the appropriate boxes on the permission form. Thank you for your help!

***\*\*Drivers who are volunteering to drive any child other than their own are required to complete a Criminal Record Check (CRC) and Driver's Abstract. A CRC and Driver's Abstract is valid for 5 years. A Volunteer Driver Information and Authorization form must be completed each year. These forms are available in the school office or through the Parent Connect website.***

Given the large number of students taking part in each session, please label everything your child brings along: bathing suit, towel, socks, bag, etc.
